Certificate in Chaplaincy Studies

This course is designed for anyone working in any area of chaplaincy, or those interested in developing their knowledge and skills in the context of Chaplaincy and Ministry. The course includes a basic foundation in key areas of Catholic theology and approaches to Pastoral Care based on this foundation. Students undertake two modules, prior to selecting a module specifically designed to support their skills in the particular area of Chaplaincy in which they are interested.

HOW LONG IS THE PROGRAMME?

This is a 1 year, 3 module programme.

WHEN IS THE NEXT ENROLMENT?

The course starts at the Centre October 2021 with a 2 hour introduction to the course and lecture on the first module

PROGRAMME INFORMATION

Three modules are studied over 12 months and students will be provided with course materials and a workbook for each module. Once complete, the workbook is marked and assessed. Students completing the course will receive a Certificate of Completion, with their grade of Pass, Merit or Distinction.
